

Ebens Jean

Motivational Speaker, Business Owner, Podcast Host

Ebens is that person who walks into a room and reminds you to breathe. He doesn't talk circles. He doesn't try to be deep. He keeps it simple and somehow, that's what people remember the most. He knows what it feels like to carry pressure, to question yourself, to feel like you're behind. But he also knows what it looks like to build anyway.

Not with perfect plans but with small steps, quiet discipline, and a decision to keep going.

Whether he's speaking to a room full of high school students, young adults, or business owners who feel stuck, Ebens makes things click.

Ebens is also the host of
"THE RISK TAKER PODCAST"
